Dear Ms. Garcia,

Thank you for your submission dated December 8, 2017, regarding your compliance with 8 U.S.C. § 1373, further to the terms of your FY 2016 Byrne JAG grant, award #2016-DJ-BX-0442 from the Office of Justice Programs.

In your submission, you specifically addressed the concern raised in the Department's November 15, 2017, letter by certifying that Mayor's Order 2011-174 Part II.B and the Department of Corrections Policy & Procedure No. 4356.2D Part 8 have not been interpreted or applied to "restrict public safety officials from . . . requesting [information regarding immigration status] from ICE," Based on this certification, and the other information provided, we found no evidence that Washington, DC, is currently out of compliance with section 1373. As a reminder, complying with section 1373 is an ongoing requirement that the Office of Justice Programs will continue to monitor.

Sincerely,

A handwritten signature in black ink, reading "Jon Adler", is positioned below the word "Sincerely,".
